Kamaraaj Dr. K.

Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

a) whether the raw materials and semi-finished products are exported from the country;

b) if so, the total quantity and value of raw materials and semi-finished products exported from the country during the last two years; and

c) the value of finished products exported from the country during the said period?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (INDEPENDENT CHARGE)
(SMT. NIRMALA SITHARAMAN)
(a) to (c) It is difficult to uniquely classify products into raw materials, semi-finished and finished, as the category of an item will depend upon the end use to which it is put, which can vary. There are around 11500 tariff lines (products) at 8 digit level in the Indian Trade Classification (Harmonized System) of Export and Import Items, 2012 [ITC(HS), 2012]. Goods/products including raw material, semi-finished and finished products are exported from the country as per the policy outlined in the said document.

Details of such products exported from the country during the last two years are available in the public domain at Department of Commerce website: http: //commerce.nic.in/eidb/default.asp. The value of major commodity group-wise exports from India for the last two financial years is Annexed.
